

HADDONFIELD CHILD CARE

Sunscreen Permission Form

The NJ Division of Youth and Family Services and the NJ Statewide Coalition for Child Care Health Committee have strongly suggested that children wear sunscreen during outdoor play time in after school programs.

In order for HCC staff to apply sunscreen to your child, you will need to provide the sunscreen you prefer, as well as this completed form, to your child's HCC Program Supervisor. Please mark your child's name in permanent marker on the bottle/tube.

We will keep the sunscreen on site, and will assist your child in applying it. Please replenish sunscreen as needed.

Name of Child _____ Program _____

I hereby give permission for Haddonfield Child Care to assist my child in applying sunscreen as needed.

Signature of Parent/Guardian
